

Conformity Assessment Procedures Service for Producers of Measuring Instruments

Notified Body No. 0108 according to

**European Directive 90/384/EEC – Non-automatic weighing
instruments (NAWI)**

**European Directive 2004/22/EG – Measuring Instrument Directive
(MID)**

For manufactures of measuring instruments Eichdirektion Nord offers services and conformity assessment procedures according to EC directives. Eichdirektion Nord is EC Notified Body and works with its own auditors and technical specialists.

For non-automatic weighing instruments according to **EC directive 90/384/EEC** the service comprises the performance of procedures for

Annex II.2 : EC-Declaration of Type Conformity (Guarantee of Production Quality)

Annex II.3 : EC Verification

Annex II.4 : EC Unit Verification

Eichdirektion Nord also performs the below listed conformity assessment procedures according to **EC directive 2004/22/EC (MID)**:

Product family acc. to directive 2004/22EC	Procedure//Module	Annex/Article
Water Meters	D, F	MI-001
Gas Meters and Conversion Devices	D, F	MI-002
Active Electrical Energy Meters	D, F	MI-003
Heat Meters	D, F	MI-004
Measuring Instruments for Liquids Other than Water	D, F, G	MI-005
Automatic Weighing Instruments - Mechanical Systems - Electromechanical Systems - Electronic Systems or Systems Containing Software	D, D1,E, F, F1, G D, E, F, G D, F, G	MI-006
Taximeters	F	MI-007
Material Measures Material Measure of Length Capacity Serving Measures	D, D1, F1, G A1, D, D1, E, E1, F1	MI-008 Chapter I Chapter II
Dimensional Measuring Instruments - Mechanical or Electromechanical Instruments .- Electronic Instruments or Instruments Containing Software	D, D1, E, E1, F, F1, G D, F, G	MI-009
Exhaust Gas Analysers	D, F, F1	MI-010

The conformity assessment procedure for measuring instruments according to Modules D, E, and F requires an EC-type examination certificate according to Module B by a notified body.

All conformity assessment procedures are performed by our DGQ-certified auditors and quality managers, which are supported by our technical specialists. Our auditors and technical specialists also work for Certification Body for Measuring Instruments of Physikalisch-Technischen Bundesanstalt (PTB).

For questions, applications and requests for information with respect to inspections and conformity assessment procedures please contact:
